Mark and his fishing buddy Robin Hutson of The Pig Hotels teamed up with Rob Corbett of Castlewood Vineyards to create Devon Minnow. So called, because the vineyard is small, located in Devon and they dreamt about it whilst on a fishing trip. So Block HH at Castlewood Vineyard is their little 'minnow' in a Devon Valley. Made from Bacchus 'The God of Wine' grapes, barrel-fermented and aged in French oak for 6 months.

Inspired by a visit to the Douro Valley in the late summer of 2010 with John Hutton of FMV wines, the label is designed by Mark's friend and well-known artist Tracey Emin.

The Tonnix range includes a red, and a white wine. We have previously also sold rose, olive oil and vinegar.

-----------------	------

Black Cow is the world's first Pure Milk Vodka, made in Childhay, West Dorset, using milk from the Jason Barber's dairy cows.

The curds and whey are separated with the curd used to make Black Cow Deluxe Cheddar. The whey, which is usually a waste product in cheese-making, is uniquely distilled in to vodka. Nothing else is added to the process.

Using 100% milk in their distillation process is what makes Black Cow vodka so deliciously smooth.

Made in small batches—only 200 bottles at a time, Black Ven is twice distilled from 100% pure molasses here in Lyme Regis. Perfect for drinking neat with notes of caramel, coffee and a touch of vanilla.
